Shortlisting**

**CHAPTER 4 — Interview Questions &
Assessment**

CHAPTER 5 — Candidate Communication

CHAPTER 6 — HR Policies & Documents

**CHAPTER 7 — Employee Engagement &
Retention**

**CHAPTER 8 — Performance Reviews &
Competency Evaluation**

INTRODUCTION

The HR and recruitment landscape is rapidly evolving. Companies want faster hiring, better quality candidates, and more accurate screening — all while maintaining excellent communication and employer branding.

This AI prompt pack helps HR professionals and recruiters optimize their entire workflow:

- ✓ Talent sourcing
- ✓ Job description writing
- ✓ Resume screening
- ✓ Candidate evaluation
- ✓ Interview questions
- ✓ Performance reviews
- ✓ Offer letters
- ✓ HR policies
- ✓ Employee engagement
- ✓ Retention strategies

These prompts eliminate repetitive work, boost productivity, and improve accuracy — giving HR teams more time to focus on people, not paperwork.

This pack is designed for HR managers, recruiters, staffing agencies, and hiring consultants.

HOW TO USE THIS PACK

- **Copy any prompt**
- **Paste into ChatGPT**
- **Add industry, role, or company details**
- **Instantly generate high-quality HR documents**
- **Adjust tone to match company culture**

Tips for best performance:

- ✓ **Specify job role and seniority**
- ✓ **Mention required skills or certifications**
- ✓ **Add company values or culture tone**
- ✓ **Ask for multiple variations**

**Just copy → paste → customize →
implement.**

HR & RECRUITERS PAIN POINTS & HOW AI SOLVES THEM

Pain Point → **Solution**

1. Difficulty sourcing quality candidates

Use AI sourcing prompts, boolean searches, and talent persona builders.

2. Time-consuming resume screening

Use automated screening, shortlisting, and red-flag detection prompts.

3. Ineffective job descriptions

Use optimized, role-specific JD templates designed for conversion and clarity.

4. Weak employer branding

Use EVP (Employer Value Proposition) and culture messaging prompts.

5. Long hiring cycles

Use structured interview frameworks and evaluation templates.

CHAPTER 1 – JOB DESCRIPTIONS & ROLE DEFINITIONS

1. Job Description Generator

Create a complete job description for the role of {job title} including responsibilities, required skills, preferred qualifications, KPIs, and culture fit.

2. Role Responsibilities Breakdown

Break down the responsibilities of a {job title} into daily, weekly, monthly, and quarterly tasks.

3. Competency Framework Creator

Create a competency framework for the role of {job title} including technical skills, soft skills, and behavioral competencies.

4. Skill Requirements List

Generate a list of essential, desirable, and optional skills required for a {job title} in the {industry} industry.

5. Role Summary Statement

Write a concise, compelling role summary for the position of {job title} that highlights purpose, impact, and expectations.

6. Seniority Level Differentiation

Define the difference between junior, mid-level, and senior {job title} roles in terms of scope, responsibility, and decision-making.

7. KPI & Performance Metrics

Create KPIs and performance evaluation metrics for the role of {job title}.

8. Candidate Profile/Persona

Create an ideal candidate persona for the role of {job title}. Include experience, personality traits, motivations, and red flags.

9. Role Expectations Document

Write a detailed role expectations document for a new hire in the {department} department.

10. Job Posting Optimization

Rewrite this job posting to make it more engaging, inclusive, and effective at attracting top talent: {paste text}.

11. Salary Benchmark Prompt

Give a salary range recommendation for a {job title} in the {industry} industry based on market standards.

12. Remote vs. On-Site Role Definition

Outline how the responsibilities differ for a {job title} when hired for remote, hybrid, or on-site work.

13. Department Structure Mapping

Show where the {job title} fits within the organizational structure of the {department} department.

14. Mandatory vs Preferred Qualifications

Separate qualifications for the {job title} role into 'mandatory' and 'preferred' categories.

CHAPTER 2 – CANDIDATE SOURCING & TALENT PERSONAS

1. Ideal Talent Persona Builder

Create a detailed talent persona for the role of {job title}. Include experience, skills, motivations, career goals, and deal-breakers.

2. Boolean Search String Generator

Create advanced Boolean search strings for sourcing {job title} candidates on LinkedIn, Indeed, and Google.

3. LinkedIn Sourcing Message

Write a personalized LinkedIn outreach message for approaching passive candidates for the {job title} role.

4. Passive Candidate Engagement Strategy

Create a strategy to attract and engage passive candidates who are not actively job hunting.

5. Talent Pool Mapping

Map potential talent pools for {job title} roles including industries, companies, platforms, and communities.

6. Job Board Posting Strategy

Recommend the best job boards and platforms to post a {job title} role to attract quality applicants.

7. Sourcing Channel Comparison

Compare different sourcing channels (LinkedIn, referrals, job portals, social media) for hiring {job title}.

8. Candidate Outreach Variations

Write 3 variations of outreach messages for sourcing {job title} candidates: formal, friendly, and casual.

9. Referral Program Messaging

Create internal referral program messages encouraging employees to refer candidates for open roles.

10. Employer Value Proposition (EVP)

Create a compelling employer value proposition to attract top talent for {company type or role}.

11. Diversity & Inclusion Sourcing Prompt

Suggest sourcing strategies to attract diverse candidates for the {job title} role.

12. Talent Market Availability Analysis

Analyze the availability of talent for {job title} in {location}. Include hiring difficulty and competition level.

13. Campus Hiring Strategy

Create a campus hiring strategy for recruiting fresh graduates for {job title} roles.

14. Niche Community Sourcing

Identify niche communities, forums, or groups where {job title} candidates are active.

CHAPTER 3 – RESUME SCREENING & SHORTLISTING

1. Resume Screening Criteria Builder

Create clear resume screening criteria for the role of {job title}, including must-have skills, experience thresholds, and red flags.

2. Resume-to-JD Match Analysis

Analyze this resume against the job description for {job title}. Highlight strengths, gaps, and fit score out of 10: {paste resume + JD}.

3. Resume Shortlisting Prompt

Shortlist the top candidates from these resumes {paste resumes} for the {job title} role with brief justification for each.

4. Red Flag Detector

Identify potential red flags in this resume for a {job title} role: {paste resume}.

5. Resume Ranking System

Create a scoring and ranking system to evaluate resumes for the {job title} role objectively.

6. Resume Summary Generator

Summarize this candidate's resume into a 5-line profile summary suitable for hiring manager review.

7. Resume Keyword Analysis

Extract and analyze keywords missing or overused in this resume for a {job title} role.

8. Fresh Graduate Screening Prompt

Create screening criteria specifically for fresh graduates applying for {job title} roles.

9. Experienced Candidate Screening Prompt

Create screening criteria for experienced professionals applying for {job title} roles.

10. Resume Gap Explanation Assessment

Evaluate this candidate's career gap explanation and suggest follow-up questions: {paste details}.

11. ATS Optimization Check

Check whether this resume is ATS-friendly for the {job title} role and suggest improvements.

12. Shortlisting Justification Notes

Write short justification notes for why this candidate is shortlisted or rejected.

13. Skill vs Experience Trade-Off Analysis

Analyze whether skill strength can compensate for lack of experience in this resume.

14. Bulk Resume Screening Prompt

Screen these multiple resumes {paste resumes} and categorize them into: Strong Fit, Medium Fit, Weak Fit.

CHAPTER 4 – INTERVIEW QUESTIONS & ASSESSMENT

1. Structured Interview Question Set

Create a structured interview question set for the role of {job title} covering technical skills, behavior, culture fit, and problem-solving.

2. Behavioral Interview Questions

Generate 10 behavioral interview questions for {job title} using the STAR method.

3. Technical Interview Questions

Create role-specific technical interview questions for {job title} based on required skills.

4. Situational Judgment Questions

Write situational interview questions to assess decision-making for the {job title} role.

5. Culture Fit Assessment Questions

Create interview questions to evaluate cultural alignment for a company with {company values}.

6. Leadership Assessment Questions

Generate leadership-focused interview questions for senior-level {job title} candidates.

7. Problem-Solving Case Prompt

Create a case study or problem-solving scenario for candidates applying to the {job title} role.

8. Interview Evaluation Scorecard

Create an interview evaluation scorecard template to rate candidates objectively.

9. Soft Skills Assessment Prompt

Create interview questions to assess communication, teamwork, adaptability, and time management.

10. Remote Work Readiness Assessment

Generate interview questions to evaluate readiness for remote or hybrid work roles.

11. Follow-Up Interview Questions

Create follow-up interview questions based on these candidate responses: {paste responses}.

12. Candidate Comparison Prompt

Compare two candidates interviewed for the {job title} role and recommend the better fit with justification.

13. Interview Feedback Summary

Write a clear interview feedback summary for this candidate to share internally.

14. Panel Interview Question Set

Create a panel interview question framework for interviewing {job title} candidates.

CHAPTER 5 – CANDIDATE COMMUNICATION

1. Interview Invitation Email

Write a professional interview invitation email for the role of {job title}, including date, time, format, and preparation instructions.

2. Interview Confirmation Message

Create a polite confirmation message for candidates confirming their interview schedule.

3. Interview Reminder Message

Write a reminder email or message for candidates about an upcoming interview.

4. Interview Reschedule Request

Write a respectful message to reschedule an interview due to internal changes.

5. Rejection Email (Early Stage)

Write a kind, professional rejection email for candidates not shortlisted after resume screening.

6. Rejection Email (Post Interview)

Write a respectful rejection email for candidates who were interviewed but not selected.

7. Candidate Status Update Message

Write a clear status update message for candidates waiting for feedback.

8. Offer Discussion Invitation

Write an email inviting a candidate to discuss compensation and offer details.

9. Offer Letter Email Body

Write the email body that accompanies an official offer letter for the {job title} role.

10. Offer Acceptance Confirmation

Write a confirmation message acknowledging a candidate's offer acceptance.

11. Candidate Decline Response

Write a polite response to candidates who decline the offer, keeping future opportunities open.

12. Interview Feedback Request

Write a message asking candidates for feedback on the interview experience.

13. Candidate Engagement Message

Write a message to keep strong candidates warm during long hiring cycles.

14. Onboarding Welcome Message

Write a welcome message for a newly hired employee before their first day.

CHAPTER 6 – HR POLICIES & DOCUMENTS

1. Employee Handbook Generator

Create a comprehensive employee handbook for a company in the {industry} industry, including policies, values, and code of conduct.

2. Leave Policy Draft

Draft a clear leave policy covering annual leave, sick leave, and holidays for a {company size} organization.

3. Work From Home Policy

Create a work-from-home or hybrid work policy including expectations, communication rules, and security guidelines.

4. Code of Conduct Policy

Write a professional code of conduct policy outlining acceptable workplace behavior and disciplinary actions.

5. Onboarding Document Checklist

Create a checklist of documents and resources required during employee onboarding.

6. Anti-Harassment Policy

Draft an anti-harassment and workplace safety policy compliant with general corporate standards.

7. Performance Management Policy

Create a performance management policy outlining reviews, feedback cycles, and improvement plans.

8. Disciplinary Action Policy

Write a disciplinary action policy including warnings, procedures, and escalation steps.

9. Confidentiality & NDA Template

Create a confidentiality and non-disclosure agreement template for employees.

10. Exit & Offboarding Policy

Create an exit and offboarding policy covering notice periods, knowledge transfer, and final settlements.

11. Attendance & Punctuality Policy

Write an attendance and punctuality policy with clear expectations and consequences.

12. Compensation & Benefits Policy

Draft a compensation and benefits policy explaining salary structure, bonuses, and perks.

13. Training & Development Policy

Create a policy outlining employee training, learning budgets, and career development support.

14. Policy Review & Update Framework

Create a framework for regularly reviewing and updating HR policies.

CHAPTER 7 – EMPLOYEE ENGAGEMENT & RETENTION

1. Employee Engagement Survey

Create a comprehensive employee engagement survey covering motivation, job satisfaction, leadership, workload, culture, and growth opportunities.

2. Monthly Pulse Survey Questions

Generate short monthly pulse survey questions to measure employee morale, stress levels, and engagement.

3. Anonymous Feedback System

Design an anonymous employee feedback system that encourages honest input while maintaining psychological safety.

4. Recognition & Rewards Program

Create a structured employee recognition and rewards program to improve motivation and long-term retention.

5. Employee Motivation Message Templates

Write 5 motivational messages HR can send to employees during high-pressure or low-morale periods.

6. Career Growth Framework

Create a clear career growth and progression framework showing how employees can advance within the organization.

7. Learning & Development Plan

Design a learning and development plan for employees including training types, budgets, and skill progression.

8. Employee Retention Strategy

Create a comprehensive employee retention strategy addressing compensation, culture, growth, leadership, and work-life balance.

9. Stay Interview Questions

Generate stay interview questions HR can ask current employees to understand what keeps them engaged and what may cause them to leave.

10. Burnout Detection Framework

Create a framework to identify early signs of employee burnout and recommend preventive actions.

11. Work-Life Balance Improvement Plan

Design initiatives HR can implement to improve work-life balance without reducing productivity.

12. Employee Exit Interview Questions

Create structured exit interview questions to uncover reasons for attrition and improvement opportunities.

13. Culture-Building Activity Ideas

Generate 15 culture-building activities for teams to improve collaboration, trust, and morale.

14. Engagement KPI Tracker

Create a KPI tracking framework to measure employee engagement, satisfaction, attrition risk, and retention outcomes.

CHAPTER 8 – PERFORMANCE REVIEWS & COMPETENCY EVALUATION

1. Performance Review Template (Quarterly/Annual)

Create a structured performance review template for employees covering goals, achievements, strengths, improvement areas, and overall rating.

2. Role-Based KPI Builder

Create role-specific KPIs for the position of {job title} aligned with company goals and expectations.

3. Competency Evaluation Framework

Design a competency evaluation framework to assess employees on technical skills, soft skills, and behavioral competencies.

4. Self-Assessment Form

Create a self-assessment form employees can complete before performance reviews, focusing on achievements, challenges, and growth.

5. Manager Feedback Template

Write a constructive manager feedback template that balances appreciation with clear improvement points.

6. 360-Degree Feedback Questions

Generate 360-degree feedback questions for peers, managers, and direct reports.

7. Performance Rating Scale Design

Create a fair and easy-to-understand performance rating scale with clear definitions for each level.

8. Improvement Plan (PIP) Template

Create a Performance Improvement Plan (PIP) template with goals, timelines, support actions, and review checkpoints.

9. High-Performer Identification Prompt

Design criteria to identify high-performing employees and future leaders within the organization.

10. Promotion Readiness Assessment

Create an assessment framework to evaluate whether an employee is ready for promotion.

11. Skills Gap Analysis Prompt

Analyze employee performance data to identify skill gaps and recommend training interventions.

12. Goal-Setting Framework (OKRs)

Create an OKR-based goal-setting framework for employees and teams.

13. Feedback Conversation Script

Write a structured script for conducting performance feedback conversations professionally and empathetically.

14. Performance Review Summary Report

Create a concise performance review summary report for HR and leadership review.

ABOUT THE PROSPERITY GRID

The Prosperity Grid is an AI-powered digital brand designed to help professionals, entrepreneurs, and creators work smarter, earn more, and scale their business using practical, ready-to-use AI systems.

We believe AI should be simple, accessible, and beneficial for everyone.

Our mission is to create industry-specific prompt libraries, digital products, and tools that deliver real results — saving time, boosting productivity, and increasing revenue.

What We Offer:

- **Premium AI Prompt Packs for multiple industries**
- **Digital productivity tools**
- **Business growth frameworks**
- **Simple AI workflows anyone can use**
- **High-quality content for creators and solopreneurs**

Join us as we build the next generation of AI-powered business tools.
