**Chapter 6 — Cold Call & WhatsApp
Scripts**

**Chapter 7 : EXPLAINER PROMPTS (Legal,
Finance, Market)**

**Chapter 8 : NEGOTIATION & DEAL
CLOSING**

Welcome to Your AI Advantage

The real estate industry is fast, competitive, and communication-heavy.

Agents spend hours writing:

- Listing descriptions
- Client follow-up messages
- Legal explanation summaries
- Market reports
- Social media content
- Cold outreach

AI lets you automate all of this.

This pack contains high-level, industry-specific prompts designed to help you:

- ✓ Close more deals
- ✓ Save 10–15 hours per week
- ✓ Communicate professionally
- ✓ Generate more leads
- ✓ Market properties faster
- ✓ Streamline your workflow
- ✓ Convert cold prospects into clients

Unlike basic prompt lists, these prompts are professionally structured, role-based, and optimized for real-world use.

HOW TO USE THIS PROMPT PACK

1. Replace variables like:

- [property type]
- [location]
- [client name]
- [budget range]
- [unique features]

2. Use follow-up prompts:

- “Make it shorter”
- “Make it luxury-focused”
- “Rewrite in a more emotional tone”
- “Add bullet points”

3. Create an AI Persona:

Use this once at the beginning:

“Act as a senior real estate copywriter with 10+ years of experience. Optimize all responses for clarity, persuasion, and sales conversion.”

REAL ESTATE PAIN POINTS & HOW AI SOLVES THEM

Pain Point → Solution

Writing Time-Consuming Listing Descriptions

AI creates polished listings in seconds.

Cold Leads Not Responding

AI writes personalized follow-up messages.

Market Reports Are Complex

AI summarizes reports into simple language.

Legal Terms Confuse Clients

AI explains them in human-friendly clarity.

Social Media Content Takes Too Long

AI generates 30 posts in 5 minutes.

Negotiation Requires Smart Wording

AI provides professional negotiation scripts.

Chapter 1 : PROPERTY LISTINGS

1. Basic Listing Creation

Create a compelling property listing for a [3 BHK apartment] in [location] targeting [young IT professionals]. Highlight lifestyle benefits and unique features.

2. Luxury Listing

Write a luxury-style listing description for a [premium penthouse] overlooking [waterfront/lake/skyline]. Tone: elegant, aspirational.

3. Listing with Storytelling

Add a storytelling angle to this property listing to make readers emotionally connected.

4. Bullet-Point Listing

Convert this listing into a clean bullet-point format for portals like MagicBricks and 99acres.

5. Short WhatsApp Version

Summarize the above listing into a 2–3 sentence WhatsApp message.

6. Investor-Focused Listing

Write a property listing for a [2 BHK / commercial unit] in [location] focusing on rental yield, appreciation potential, and investment benefits for serious investors.

7. Family-Focused Listing

Write a warm, family-oriented listing for a [3 BHK] in [location] highlighting schools, safety, parks, and community living.

8. Buyer-Persona Specific Listing

Write 3 different versions of this property listing for: (1) young professionals, (2) retired couples, and (3) families with kids.

9. Listing for Under-Construction Property

Create a listing for an under-construction property in [location]. Emphasize future value, payment plan benefits, and upcoming amenities.

10. Listing for a Resale Property

Write a listing for a well-maintained resale [property type] focusing on condition, upgrades, and immediate availability.

11. NRI Buyer Listing

Write a listing targeting NRI buyers that emphasizes long-term ROI, locality growth, security features, and India-investment advantages.

12. Modern Lifestyle Listing

Write a modern, lifestyle-centric listing for a property with amenities like pool, gym, clubhouse, and co-working spaces. Tone: trendy, aspirational.

13. Compact/Studio Apartment Listing

Create a listing for a compact/studio apartment targeted at bachelors, students, and working professionals. Emphasize convenience and affordability.

14. Listing with Locality Highlights

Write a listing where the main selling point is the location. Include nearby transport, schools, malls, hospitals, and lifestyle conveniences.

15. Renovated/Upgraded Home Listing

Write a listing for a recently renovated property highlighting upgrades like modular kitchen, new flooring, premium fittings, etc.

16. Commercial Property Listing

Create a listing for a commercial property (office/retail space) focusing on footfall, accessibility, business potential, and ROI.

17. SEO-Optimized Listing

Write an SEO-optimized property listing suitable for MagicBricks/99acres using keywords like '3 BHK in [location]', 'ready to move', 'prime location', etc.

18. Listing Comparison Prompt

Write two versions of this listing: (1) simple and direct, (2) premium and persuasive. Format them clearly for comparison.

Chapter 2 : CLIENT COMMUNICATION

1. Polite Follow-Up After No Response

Write a polite and friendly follow-up message for a client who hasn't replied for 3 days regarding the [property] inquiry. Tone: helpful, not pushy.

2. Site Visit Confirmation Message

Write a professional message confirming tomorrow's site visit for [property], including time, location, and a warm line encouraging them to bring any questions.

3. Budget & Requirement Clarification

Write a message asking the client what their preferred budget, location, and property type are, while sounding helpful and not salesy.

4. Sharing Property Options

Write a message sharing 3 new property options within the client's budget. Make it short, clear, and easy to read on WhatsApp.

5. Explaining Why a Property Is a Good Fit

Write a message explaining why [property] is a great match for the client based on their preferences: [location], [budget], and [must-have features].

6. Client Update Message to Seller

Write a message updating the seller about the number of inquiries, interested buyers, and next steps. Tone: confident and professional.

7. Professional Apology Message

Write a polite apology message to a client for a delayed reply, while reassuring them that their requirement is a priority.

8. Creating Urgency Without Pressure

Write a message that gently creates urgency (due to demand or limited availability) while keeping the tone respectful and non-pushy.

9. Re-Engaging a Cold Lead

Write a message that gently creates urgency (due to demand or limited availability) while keeping the tone respectful and non-pushy.

10. First-Time Buyer Guidance Message

Write a simple, friendly message explaining the next steps for a first-time home buyer, including documents, site visits, and loan assistance.

11. Professional Thank-You Message After Site Visit

Write a warm and professional message thanking the client for attending today's site visit. Include a short recap of the property highlights and ask if they'd like to explore similar options.

12. Sending Documents / Brochure Message

Write a clear WhatsApp message for sending the property brochure, layout plan, and price sheet. Keep it concise and include a polite line inviting the client to ask questions anytime.

Chapter 3 : LEAD GENERATION + SALES COPY

1. Facebook Ads for Lead Generation

Write 3 Facebook ads promoting a new [property type] in [location] targeting [buyer persona]. Include headline, primary text & CTA.

2. Google Search Ad Descriptions

Write 10 Google Ads descriptions (90 characters each) for generating inquiries for a real estate project in [location].

3. Instagram Ad Copy

Write short, catchy Instagram ad captions to generate leads for a newly launched [property type] project.

4. YouTube Pre-Roll Ad Script (10 Seconds)

Write a powerful 10-second YouTube ad script promoting [property/project name] to home buyers in [location].

5. Landing Page Hero Section

Write a high-converting hero section for a real estate landing page, including headline, subheadline, and CTA.

6. Benefits Section for Landing Page

Write a 'Top 5 Benefits' section for a landing page promoting [property/project]. Tone: persuasive and buyer-friendly.

7. Lead Magnet Idea Generator

Give me 10 lead magnet ideas to attract buyers (checklists, guides, calculators, local area reports).

8. Sales Pitch Paragraph

Write a short sales pitch paragraph explaining why a buyer should consider [property] compared to other options in the same price range.

9. WhatsApp Broadcast Message

Write a broadcast message promoting a new project launch in [location]. Keep it concise and curiosity-driven.

10. Email Pitch for Buyer Leads

Write a persuasive email inviting potential buyers to explore [project] with a link to the brochure.

11. Taglines for Real Estate Project

Write 15 tagline options for a new real estate project focusing on lifestyle, comfort, and luxury.

12. Sales Copy for Digital Flyers

Write promotional text for a real estate flyer highlighting key features, pricing, and a strong call to action.

13. Elevator Pitch

Write a 20–30 second spoken elevator pitch describing the value proposition of [project/property] to a potential buyer.

14. Scarcity-Based CTA

Write a CTA section for ads that creates urgency (few units left, price hike soon, limited-time offers).

15. Investor-Focused Sales Copy

Write persuasive sales copy targeting real estate investors, emphasizing ROI, rental potential, and appreciation.

Chapter 4 : Follow-Up & Lead Nurturing

1. 3-Message Follow-Up Sequence

Write a 3-message follow-up sequence for a new lead interested in [property]. Include: (1) warm check-in, (2) value reminder, (3) soft CTA.

2. Follow-Up After Sending Photos/Videos

Write a friendly follow-up message asking if the client had time to review the photos/videos shared for [property] and whether they'd like to schedule a visit.

3. Follow-Up After a Site Visit

Write a polite message asking for feedback 24 hours after a site visit. Include 1–2 questions that encourage them to share honest opinions.

4. Follow-Up With Social Proof

Write a follow-up message mentioning how other clients recently booked units in [project/location] to build credibility and subtle urgency.

5. Lead Nurturing for Hesitant Buyers

Write a nurturing message for a client who likes the property but is hesitating. Address common concerns calmly and offer reassurance.

6. Offering Alternative Options

Write a follow-up message offering 2–3 alternative properties after the client said the previous option wasn't a perfect match.

7. Limited-Time Offer Follow-Up

Write a professional message highlighting a limited-time pricing benefit, loan option, or availability update to encourage faster decision-making.

8. Explaining Why Prices May Increase

Write a follow-up explaining why property prices in [location] may rise soon due to upcoming developments, demand, or infrastructure.

9. Objection Handling Follow-Up

Write a message addressing the client's objection about [price/location/size] while staying helpful, understanding, and solution-focused.

10. Warm Conversion Message

Write a message to convert a warm lead into a confirmed visit or booking. Keep it positive, confident, and value-driven.

11. Reconnecting After a Long Gap

Write a polite re-engagement message for a client who inquired about a property 1–2 months ago. Keep it warm, low-pressure, and ask if their requirements have changed.

12. Follow-Up After Sharing Price Sheet

Write a professional follow-up message asking if the client had a chance to review the price sheet and payment plan. Offer to clarify any doubts and help compare options.

Chapter 5 : SOCIAL MEDIA CONTENT

1. Instagram Captions for New Listing

Write 10 Instagram captions promoting a new [property type] listing in [location]. Tone: modern, engaging, and focused on lifestyle benefits.

2. Instagram Reels Ideas

Give me 15 reel ideas that attract qualified home buyers and investors in [city]. Keep each idea simple and high-engagement.

3. 6-Slide Carousel: Investment Benefits

Create a 6-slide carousel explaining '5 Reasons to Invest in [location] Right Now.' Include a hook for slide 1 and a CTA for slide 6.

4. Feature Breakdown Carousel

Write a 5-slide carousel explaining the top features of [property name]. Each slide should highlight one key benefit.

5. First-Time Buyer Educational Post

Write a value-packed Instagram post explaining the top 7 mistakes first-time home buyers must avoid.

6. Home Loan Tips Post

Write a short post with 5 must-know home loan tips for beginners, formatted in simple bullet points.

7. Reel Hooks for Real Estate Creators

Write 12 strong hooks for real estate reels aimed at grabbing attention within the first 2 seconds.

8. Market Trend Summary Post

Write a post explaining current real estate market trends in [city] in simple, buyer-friendly language.

9. Lifestyle-Focused Caption

Write an Instagram caption promoting lifestyle benefits of living in [location] — schools, parks, malls, connectivity, and safety.

10. NRI Buyer Awareness Post

Write an informative post explaining why NRI buyers should consider investing in [city/region] right now.

11. New Launch Announcement Post

Write a launch announcement caption for a brand-new project in [location]. Include hype, features, and a clear CTA.

12. Client Closing Celebration Post

Write a warm and positive caption celebrating a client's successful property purchase. Tone: grateful and uplifting.

13. Renovation Before/After Post

Write a caption for a before/after renovation post that highlights how the property's value increased.

14. FAQ Content Post

Write a post answering 5 common questions buyers ask about property buying, documentation, and pricing.

15. Consultation Service Promotion

Write a short Instagram post promoting your real estate consultation service, highlighting expertise, trust, and personalized guidance.

Chapter 6 – Cold Call & WhatsApp Scripts

1. Cold WhatsApp Introduction Message

Write a short WhatsApp introduction message for a new lead showing interest in properties in [location]. Tone: friendly, helpful, and non-pushy.

2. 30-Second Cold Call Script for New Leads

Write a clear and confident 30-second cold call script where I introduce myself, understand their requirements, and set expectations for property suggestions.

3. WhatsApp Script for Sending Property Options

Write a concise WhatsApp message sharing 2–3 curated property options based on their [budget] and [location preference]. Use bullet points for clarity.

4. Message for Missed Calls

Write a polite and simple WhatsApp message for situations when a client misses my call, including the reason for calling and a flexible scheduling option.

5. Call Script to Book a Site Visit

Write a 40-second call script that encourages the lead to book a site visit for [property/project], focusing on benefits without sounding salesy.

6. WhatsApp Script to Create Light Urgency

Write a WhatsApp message that creates subtle urgency (limited units, high demand, price revision soon) while keeping the tone respectful and professional.

7. Lead Qualification Call Script

Write a 45-second call script to qualify a new lead by asking about budget, preferred location, timeline, and purpose (self-use or investment).

8. Message for Sharing Price Sheet / Brochure

Write a short WhatsApp message to share the price sheet, brochure, and layout plan of [property], along with an offer to explain the details.

9. Re-Engagement Call Script

Write a warm and non-intrusive call script to reconnect with a lead who inquired 2–4 weeks ago but became inactive. Keep it conversational.

10. Post Site Visit WhatsApp Follow-Up

Write a friendly WhatsApp message thanking the client for attending the site visit and asking if they'd like more options or support with comparison.

11. Script for Handling Price Objections on Call

Write a short call script for responding when a client says the property price is too high. Address the concern respectfully and highlight value, locality benefits, and long-term appreciation.

12. WhatsApp Script for Scheduling a Virtual Tour

Write a WhatsApp message inviting the client to join a virtual video tour of [property/project]. Keep it concise, friendly, and highlight what they will see during the tour.

Chapter 7 : EXPLAINER PROMPTS

(Legal, Finance, Market)

1. Carpet vs Built-Up vs Super Built-Up Area

Explain the difference between carpet area, built-up area, and super built-up area in simple, beginner-friendly language. Include a real example.

2. Home Loan EMI Breakdown

Explain how home loan EMIs work for a first-time buyer earning under [income]. Keep it simple and include an example EMI calculation.

3. Stamp Duty & Registration Charges

Explain stamp duty and registration charges in [state], including how they are calculated and what documents are needed.

4. Pre-Approved Loan Advantages

Explain the benefits of getting a pre-approved home loan, using simple language and 5 bullet points.

5. Simplifying a Legal Clause

Rewrite this legal clause in easy, understandable language suitable for a first-time home buyer: [paste clause here].

6. NOC & Occupancy Certificate Explained

Explain what an NOC (No Objection Certificate) and an OC (Occupancy Certificate) are, why they matter, and how they protect the buyer.

7. RERA Explained Simply

Explain what RERA is and why buying a RERA-registered property protects the home buyer. Use simple, trust-building language.

8. Down Payment Requirements

Explain how down payments work for different property types and budgets. Include examples for under ₹50 lakh, ₹1 crore, and ₹2 crore properties.

9. Resale vs Under-Construction

Explain the pros and cons of buying a resale property vs. an under-construction property. Use bullet points and buyer-friendly language.

10. Home Buying Checklist

Create a simple 10-point checklist for first-time home buyers covering documents, loan prep, site visit evaluation, and agreement tips.

11. Property Tax Simplified

Explain how annual property tax is calculated in [city/state], including the role of location, size, and property type. Make it beginner-friendly and include a quick example.

12. TDS on Property Purchase

Explain what TDS (Tax Deducted at Source) means when buying a property above ₹50 lakh in India, why it is required, and how buyers must pay it.

13. Agreement to Sale vs Sale Deed

Explain the difference between an 'Agreement to Sale' and a 'Sale Deed' in simple terms. Include when each one is used and why both are important.

14. Hidden Charges in Property Buying

Create a simple explainer listing the common hidden charges buyers often overlook — such as GST, maintenance deposit, parking fees, club membership, and legal fees.

Chapter 8 : NEGOTIATION & DEAL CLOSING

1. Buyer-Side Price Negotiation Message

Write a polite and professional negotiation message asking the seller to consider a lower offer of [offer amount] based on current market conditions.

2. Seller-Side Counteroffer Message

Write a confident message for the seller to send when countering a buyer's low offer while maintaining a positive tone.

3. Creating Urgency for Decision-Making

Write a respectful message creating urgency for the buyer due to high demand, limited availability, or possible price revisions. No pushy tone.

4. Addressing Buyer Hesitation

Write a message addressing a buyer's hesitation about [price/location/size/payment plan]. Keep it reassuring and solution-focused.

5. Explaining Long-Term Value to Buyers

Write a message explaining the long-term value and appreciation potential of [property/project] in simple and persuasive language.

6. Negotiating Maintenance / Extra Charges

Write a message negotiating on the buyer's behalf regarding maintenance fees or additional charges while keeping the conversation polite and practical.

7. Brokerage Negotiation Script

Write a tactful message responding when a client asks for reduced brokerage. Explain the value provided while keeping the relationship positive.

8. Win-Win Negotiation Message

Write a message that helps both buyer and seller reach a win-win agreement where both parties feel satisfied.

9. Handling Last-Minute Objections

Write a message addressing a last-minute objection from the buyer right before closing, such as loan delays or price doubts.

10. Encouraging Buyer to Finalize the Deal

Write a positive and motivating message encouraging the buyer to finalize the deal, focusing on scarcity, appreciation, and fit.

11. Professional Closing Message for Buyers

Write a warm message congratulating the buyer on their decision and outlining the next steps for documentation and registration.

12. Thank-You Message After Deal Closure

Write a sincere thank-you message to the client after closing the deal, emphasizing your commitment to future support and referrals.

ABOUT THE PROSPERITY GRID

The Prosperity Grid is an AI-powered digital brand designed to help professionals, entrepreneurs, and creators work smarter, earn more, and scale their business using practical, ready-to-use AI systems.

We believe AI should be simple, accessible, and beneficial for everyone.

Our mission is to create industry-specific prompt libraries, digital products, and tools that deliver real results — saving time, boosting productivity, and increasing revenue.

What We Offer:

- **Premium AI Prompt Packs for multiple industries**
- **Digital productivity tools**
- **Business growth frameworks**
- **Simple AI workflows anyone can use**
- **High-quality content for creators and solopreneurs**

Join us as we build the next generation of AI-powered business tools.
